INDIRA GANDHI DELHI TECHNICAL UNIVERSITY FOR WOMEN

Indira Gandhi Delhi Technical University for Women, formerly known as IGIT, is the first all women engineering university in South Asia. It has been ranked first among the emerging engineering colleges of India.

1

2

IGDTUW was established as an independent university in May 2013, with the purpose of bringing forward women in the fields of technology and management, and fostering an environment for excellence.

The objective of the university is to foster industry relevant research and innovations, and help to enable women to become future leaders, managers, researchers, and team players in the fields of science, technology, and management.

022

TAARANGANA

After 7 massively successful editions, the cultural extravaganza is all set to come back in February with its 8th edition - Taarangana'21. Taarangana is the annual cultural fest of IGDTUW; one of the most awaited cultural events in Delhi.

Via a wide variety of events in the fields of music, dance, theatre, and other artistic domains, this two days' cultural blast offers innovative students an opportunity and platform to showcase their stupendous talents, turning the campus to an ocean of culture, excitement, and opportunities.

The fest aims to bring together loads of zestful students from various institutions from all over India to meet others with similar interests, connect with each other, and have a great time.
